

Hardship Withdrawal Policy and Process

Students may request a hardship withdrawal through the Student Affairs Office. Hardship withdrawals are restricted to absences/events that occur after the normal withdrawal period. If granted, hardship withdrawals must be done for all enrolled classes for a given term.

Hardship withdrawals are limited to certain criteria which include; but are not limited to:

- Extended hospitalization of the student, child spouse, parent, sibling, dependent recognized by law or legal guardian.
- Death in the immediate family only (child, spouse, parent, sibling, dependent recognized by law, or legal guardian)
- Being seated on a jury for more than three days

The request for a hardship withdrawal must be made in writing, faxed or emailed to [Dana Walker](#). Page two (2) is a worksheet of some necessary information, and it must be included with all supporting documentation. All supporting documentation will be verified; therefore, appropriate phone numbers must be included.

- Hospitalization supporting documentation must include hospital admittance and discharge papers with dates.
- Death in family supporting documentation must include official documentation of death, in addition to proof of relationship.
- Jury seating supporting documentation must be signed by a court official.

Hardship withdrawals must be requested no later than the end of the 3rd week of the subsequent semester for which the withdrawal is requested.

The approved/denied final decision may take 3-7 business days to verify and provided approval.

Hardship withdrawals result in grade of W on the student's transcript, which will negatively affect (SA) satisfactory academic progress. A grade of W does not negatively affect GPA.

Hardship withdrawals are allowed for only one term per student.
